For example, a first-time LSIS student who matriculates in fall 2015 and continues studying in LSIS the next fall semester, 2016, is counted in the 1st year rate. If this same students continues in fall 2017, they are counted in the 2nd year rate.

For example, for a four-year degree program, entering students who complete within six years are counted as graduates. For example, a first-time LSIS student who matriculates in fall 2015 and and graduates in 2 years, 2016-2017 fiscal year, is counted in the 2nd year rate.
